Shepherds Row – Runcorn

Residential asbestos removal for leading housing association

Client:
Plus Dane Housing /
Powell Demolition

Asbestos Services UK Ltd was appointed as licenced asbestos removal contractor to carry out removal of asbestos insulation board within five blocks of flats on Shepherds Row, Palacefields Runcorn.

The high risk removal works were systematic in each flat and due to vandalism, asbestos debris was located in a number of areas. A full enclosure set up was created at point of entry within each flat, with asbestos debris saturated, carefully removed and a full decontaminate clean-up operation carried out to all affected areas within the flat.
